ABOUT US

One Willow is a classic Jersey Shore seafood, fish, and raw bar restaurant serving the highest quality ingredients while minimizing waste when it comes to those ingredients. Our love for seafood is deeply rooted. We source the highest quality sustainable seafood from the finest purveyors and fishermen. Our quest for the freshest seafood includes regular travel to the Fulton Fish Market, local docks, and co-operatives to identify the finest whole fish and deliver them to you.

Our team knows the ropes when it comes to amazing food and incredible service; we bring that to life in a way that makes customers feel like family.

With an outdoor bar, live music, and a comfortable and fun atmosphere, One Willow is truly one of a kind. Our breathtaking views of the Sandy Hook Bay and New York City skyline are open from March to December.
